Raker-Roberta's Young Plants is proud to offer the hugely popular 2021 Living Color Fundraiser.

This spring, we celebrate our 30th season helping nonprofit groups make money by selling flowers. Last year, our groups enjoyed huge profit per campaign.

The **Living Color Fundraiser** supplies nonprofit groups the flowers, vegetables, and support materials necessary to conduct a successful fundraiser. Your group takes orders for flowers and vegetables in March and we deliver them to you before Mother's Day.

The **Living Color Fundraiser** grows flowers and vegetables to commercial wholesale specifications, so your group receives a superior product at wholesale cost. Your group profit is entirely up to you, because you set your group's selling prices. Plant prices are based on your distance from Litchfield, Michigan 49252. The prices include all your shipping costs.

Custom-grown flowers & vegetables, customized support materials, and the perfect 'sale' time makes the **Living Color Fundraiser** a great money-making opportunity for your group.
