Raker-Roberta's Young Plants is proud to present the 2021 **Living Color Poinsettia+ Fundraiser**. This fall, we celebrate our 27th season helping groups make money selling Poinsettias to their family and friends.

NEW for 2021 – we have added Christmas Cactus & Metal Containers to our offering this year!

The **Living Color Poinsettia+ Fundraiser** supplies your group with everything necessary to conduct a successful fundraiser – selling and ordering materials, free delivery, and 100% guaranteed product!

The **Living Color Poinsettia+ Fundraiser** grows the Poinsettias & Christmas Cactus to commercial wholesale specifications, so your group receives a superior product at wholesale cost. In fact, we guarantee our product 100%.

The Amaryllis will be delivered to you as a large bulb. This wax dipped bulb is completely self-sustaining, blooming with no care whatsoever.

We create order brochures with your Group Name and Selling Prices. You choose your selling price so your profit margin is up to you!
